To: TRS Employers

From: Nolan Brilz, Accounting/Fiscal Manager, Montana Teachers' Retirement System

Date: July 6, 2026

Re: June 2026 TRS Report Deadline

Submit your June report by July 15

If you haven't yet submitted your TRS wage and contribution report for June 2026, please do so by **Wednesday, July 15**. TRS must close out FY 2026 immediately after that deadline to determine each employer's net pension liability.

Look for an end-of-year email from TRS

In late July, all TRS employers will receive an automated email showing the total wages you reported for FY 2026 as compared to FY 2025. A significant difference could mean wages were under- or over-reported, so please review that email in late July and **contact TRS** if reporting errors have occurred.

MASBO 2026 Summer Conference TRS Presentation

TRS presented training for School Business Managers at the Summer 2026 MASBO Conference. [A recording of this presentation](#) has been posted on the TRS YouTube channel. If you have questions on the topics covered, contact TRS.

Questions about wage and contribution reporting? Contact Nolan Brilz at (406) 444-3679, or by email at NBrilz@mt.gov.
