**Re:** June 2020 Wage & Contribution Reports must be submitted by July 15

---

If you have already submitted a June 2020 report to TRS, thank you! If you haven't, please do so by **Wednesday, July 15** so we can close out FY 2020 and determine each employer's net pension liability.

As a reminder:

- Payouts of accrued sick and annual leave are **not** reportable to TRS as wages. No employer or member contributions should be remitted on those amounts.
  - If you have **no** wages to report for June, you must submit a "\$0 contribution" report by the deadline above. See our [June 18 memo](#) for more information.
