Re: June 2021 Wage & Contribution Reports must be submitted by July 15

If you have already submitted a June 2021 report to TRS, thank you! If you haven't, please do so by **Thursday, July 15** so that TRS may close out FY 2021 and determine each employer's net pension liability.

Other important reminders:

- Payouts of accrued sick and annual leave are **not** reportable to TRS as wages. Do not remit employer or member contributions on those amounts.
- If you have **no** wages to report for June, you must submit a "\$0 contribution" report to TRS by the deadline above. If you aren't sure how, use the Online Manual link in the Wage & Contribution Reporting system and follow the simple steps.
